01 | WHO WE ARE

About Compsoft Solutions

Compsoft Solutions (Pty) Ltd was founded in 2021 in Durban by Garth H Williams to close a critical gap in the South African IT market. With over 26 years of hands-on experience in IT infrastructure, web development, graphic design, AI solutions and digital content creation, we deliver reliable, innovative and commercially practical technology services.

We specialise in helping businesses of all sizes — with particular strength serving small and medium enterprises — strengthen their professional presence, streamline operations and improve digital engagement.

Based in Berea, Durban, and serving clients across South Africa and beyond, Compsoft combines deep local understanding with modern technical capability.
